Railway Cars and Stations—Sanitation of. (Reg. Bd. of H., May 16, 1913.)

303. Any person having control or charge of any railway station house or houses, and every railroad company, sleeping car company, or corporation, individual or receiver thereof, engaged in the carrying of passengers in this State; and every agent of any such corporation or person having charge or control of such passenger cars, shall keep and maintain all such railway station houses and passenger cars in their charge as aforesaid, in a clean and sanitary condition at all times.

304. Floors, platforms, and such places as are frequented by passengers shall at all times be kept clean. Dry sweeping or dusting is prohibited.

305. At railway stations receptacles, with tight-fitting tops or automatic cover devices, for waste paper, trash, fruit peelings, and any other waste matter, shall be provided, which receptacles shall be emptied and thoroughly cleaned by washing daily, or oftener if necessary.

306. *Railway stations.*—At railway stations where cuspidors are provided the cuspidor should be elevated, or of such construction that the top will be at least 20 inches above the floor, or a fountain cuspidor of special device may be provided. No spittoon less than 9 inches from bottom to top shall be provided.

307. All water-closets provided at railway stations shall have the floors and seats of toilets scrubbed with soap or other cleansing agent and hot water daily, and oftener if necessary.

308. *Day coaches.*—Day coaches shall be thoroughly cleaned at the end of each trip, and in no instance shall the day coach go uncleaned longer than two days when such coach is in service.

309. Windows and doors shall be first opened and aisle strips, if there be any, removed from the car.

310. All upholstered furniture shall be dusted and brushed, using a vacuum or other air device if possible.

311. *Cleaning.*—Dry dusting and sweeping of floors, of cars and railway stations is prohibited. The floors shall be washed with water. If the car is in transit the floors shall be swept after they have been sprinkled with dampened sawdust or paper (dampened with oil or water) in order to avoid raising any dust. The floors shall be scrubbed with soap and water at least once in every 24 hours if the car is in service. Dust is to be removed with a dampened cloth.

312. The use of the feather duster is prohibited in cars.

313. Seats, windows, and walls of cars must be wiped off with a dampened cloth while standing at division terminals or meal stations where a stop of 20 minutes or more is scheduled and the passengers are given an opportunity to leave cars during that time, and at other times during the run to keep the cars as free as possible from dust.

314. Water coolers must be emptied and scalded once each 24 hours, and shall be filled with good, wholesome drinking water when in service.

315. Ice which is used in water coolers in cars must not be dumped on floors, sidewalks, or car platforms where people have expectorated or are liable to expectorate, and before use it shall be washed and then handled with tongs.

316. The floors of closet rooms and the seats of closets shall be washed and scrubbed with soap and water and kept clean at all times, and the bowl and outlet of the commode shall be kept free of fecal deposits.

317. The smoking apartments of railway cars used for passengers must be provided with one cuspidor for each 2 passengers according to seating capacity. Each cuspidor must contain not less than one-half pint of clear water. The contents of the cuspidors must be emptied, washed with soap and water so as to be thoroughly cleaned, and then replenished with water when again placed in use at least once every 24 hours.

318. Every sleeping car operated in the State of Arkansas shall be cleaned at the end of each run, and in no case shall any sleeping coach or car be used for a period of time longer than one week without being thoroughly cleaned. All removable seats and backs shall be dusted and cleaned outside of the car.

319. Parlor, buffet, and dining cars must be cleaned at cleaning terminals. Carpets and draperies must be removed, dusted, and sunned and aired. Food boxes, refrigerators, closets, drawers, and cupboards to be thoroughly cleansed, and refrigerators to be washed with scalding water and aired and allowed to dry before being placed in use. This shall be done at least once a week.

320. Dining cars which have been used for sleeping apartments shall be thoroughly ventilated one-half hour or more before serving meals.

321. No parlor car, dining car, or sleeping car shall be required to provide cuspidors or spittoons except in apartments set apart for smoking and dressing rooms.

322. Passengers, patrons, and employees or others are prohibited from washing their teeth over and expectorating in basins which are used for bathing the face and hands in sleeping cars, passenger cars, or railway station buildings. Large cuspidors or dental lavatories shall be provided for such purposes.

323. Brushing of passengers' clothing and hats in railway coaches, except in the unoccupied ends of cars, is prohibited.

324. It is made the duty of any person, firm, or corporation to observe the regulations herein laid down for the sanitation of any railroad coach, car, station, factory, workshop, or other public place, or place where persons are employed, and the responsibility for the disobedience of such regulations shall rest upon the foreman, overseer, or other employee whose duty it is ordinarily to see to the cleanliness or sanitation of such railroad coach, car, station, workshop, or other public place or place where persons are employed.

325. If a car has been occupied by a person having a communicable disease its contents must be thoroughly aired and cleaned immediately at the end of its run.
